

Florida Civil Rights Association

About the President

J WILLIE DAVID, III

Founder and President

J Willie David, III is one of the most aggressive, impassioned and innovative civil rights leaders in the State of Florida. He is a former Board Member of the Florida State Conference NAACP. David was elected statewide to serve on NAACP's Special Committee on Internal Affairs (SCIA), and also served as a NAACP Branch Vice President.

In March 2005, David founded the Florida Civil Rights Association (FCRA) along with three other members. He has served since 2005 as President of FCRA, a civil rights organization for the 21st century. The organization is managed and operated by a Board of Directors. The daily functions of FCRA are carried out by eighteen (18) standing committees, its local branches and members throughout the state.

David currently holds several professional licenses in the State of Florida. He is the President of High Profile Investigative Services, Inc., a private investigative firm. David is licensed by the State of Florida as a Private Investigator and a Manager of Investigative and Security Agency. David also holds a State issued Concealed Weapon or Firearm License. As a Private Investigator, David dealt primarily with Major Crimes, Wrongful Deaths, Fraud, and Complex Civil Investigations for public officials, law enforcement, corporations, insurance industry, individuals, and high profile attorneys.

David's unique skills in the investigative and security field earned him high recognition and awards from several law enforcement agencies:

- United States Marshals Services Award
Apprehension of a dangerous fugitive wanted by the US Department of Justice
- Orange County Sheriff's Office Award
Apprehension of suspects targeting tourists at local hotels
- Orlando Police Department Award
Apprehension of a major drug dealer wanted for trafficking over 100 million dollars in cocaine from Texas and the east coast.
